Hopes Run High At Berwyn As Ten Lettermen Return To T-E Football Squad

Upper Main Liners Depart for Camp in Poconos today Under Smeigh, New Coach; Backfield Outlook Bright

By JOHN MULLIGAN

With enthusiasm running high, 36 grid hopefuls who desire a place on the Tredyffrin-Easttown High eleven, took off for Bill's Lake, in the Poconos, this morning.

The squad, which boasts ten lettermen from last season's scrappy eleven, departed under the direction of Gerry Smeigh, new coach, and Bill Crouse, his assistant.

Smeigh comes to Berwyn to succeed Oliver Robinson, who resigned to take up new duties at Morristown, N. J. Smeigh is a former Ursinus College star and comes here highly recommended by Jack McAvoy present Bears coach, and Dutch Lehman, Berwyn resident who coaches at Cheltenham High.

Ten Lettermen

The new mentor plans to hold practice in the mountains for five days. There he and Crouse will get a line on the aspirants. In recent years Berwyn's chief trouble has been the lack of size and weight. There never was a scarcity in the number of football hopefuls.

The ten veterans to return are: Bill Colona, captain and outstanding fullback; Raymond Davis, halfback; Gordon Hickman, tackle; Robert Isinger, guard; Johnny Byassee, halfback; Patsy D'Ambrosio, halfback; Richard Dixon, end; Franky Kelley, quarterback; Bob Thornton, fullback, and Harry Melchione, halfback.

Others players who have had some experience and on whom Smeigh will depend for needed

strength follow: Raymond Costello, Howard Earle, Albert Belmonte, Vernon Kirkner, Chester Benner, Matthew Corbin, Henry Durbano, Irving Fried, Daniel Norris, James Perry, James Townsend, Earl Webb, Frank Cassidy, Arthur Pennypacker, Howard Vincent, Francis Seeds, Elmer Griffith, Joseph Pattison, Frank Martini, and Herbert Holliday.

In addition six newcomers will drill. They are Louis Whitworth, Mirth Lemma, Lawrence Knier, Howard Tarr, Martin Doyle and Joe DeSimone.

Dream of Good Team

Rooters up Berwyn way have dreams of someday seeing another great machine like the one which went through its schedule undefeated several years ago. Fans still talk about the race for the Suburban championship featuring Lower Merion and the T-E array. Berwyn would have won the title on points, but an upset in one of the games gave the title to L. M., which likewise was undefeated.

Coach Smeigh should not lose much sleep worrying about his backfield in his debut as a Main Line coach. In Captain Colona, Frank Kelley, Johnny Byassee and Bob Thornton he has a seasoned quartet. All played well on last year's fighting team. Smeigh and Crouse will have their most worry building a line. It is there that T-E has had trouble chiefly because its material has been running small.

After being held scoreless for three periods, the Berwyn High School football team got its attack functioning to reel off a pair of touchdowns and gain a 13-0 victory over the Radnor High eleven at Berwyn yesterday afternoon.

An intercepted forward pass by Rabo, which gave Berwyn possession of the ball on Radnor's 40, led to the first touchdown. Berwyn made two first downs and Buck Thornton took the leather over from the 3-yard mark. Bill Colona converted the point after touchdown.

Frank Kelly tallied the second a few minutes later on a short plunge after a bad pass by the Radnor center enabled Berwyn to recover in its opponent's territory.

T-E GRIDDEERS JOLT COATESVILLE, 14-0

Football is the main topic of sport discussion up Berwyn way again. Tredyffrin-Easttown High School brought added joy to its victory-starved rooters last Saturday by taking the measure of Coatesville by 14-0 figures in a Conference game played on the Main Line gridiron. It was the third straight victory for the charges of the new coach, Gerry Smeigh.

Coach Smeigh was well satisfied with the form shown by his boys, but stated that he thought the score should have been larger. "Our boys have been improving with every game," he explained, "and they pleased me with their play against Coatesville."

Berwyn ran up a total of 13 first-downs to three for the Coates. A sustained drive which netted four first downs in succession, gave Berwyn, a 7-0 point edge at the end of the first half when Bob Thornton scored from the 2-yard mark. A 40-yard sprint by Captain Bill Colona featured the advance.

BERWYN UPSETS RADNOR GRID FOE

Colona Goes Over for Lone Score in Gripping Game at Wayne

By WYC JUSTIS

A gritty little eleven from the upper reaches of the Main Line came down to Wayne yesterday afternoon to extend the streak of misfortune which has dogged the Radnor High team. Coach Jerry Smeigh's Berwyn club, as scrappy a little club as you'll find in the entire Suburban Conference, handed the Red Raiders a 7-0 defeat yesterday on the losers' field.

The victory was the first turned in by a Berwyn team over Radnor at Wayne in 14 long years.

Scoring a touchdown in the first period when a poor pass from centre gave them the game-winning "break", the team from the consolidated schools of Tredyffrin and Easton townships clung grimly to a 7-0 lead through to the bitter end.

The victory, their second in Radnor in as many years, was the first of the season for Berwyn. The setback marked the third in a row, each at the hands of Conference rivals, for Jules Prevost's hapless Raiders.

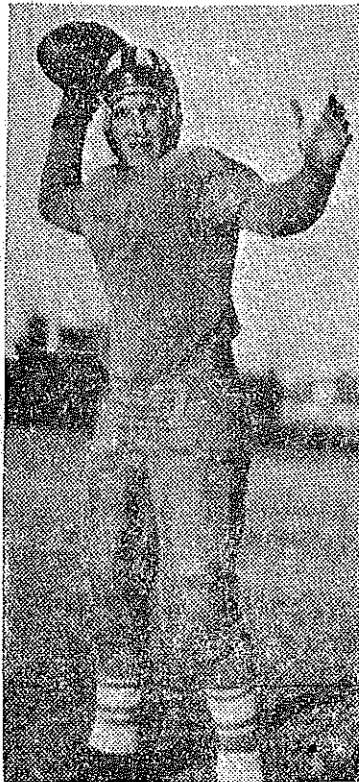

There was just one important break in the whole ball game, and this break cost Radnor the game. Early in the first period, with the ball resting on their own 25-yard line, Radnor's centre, Art Griffith, shot a hard, high pass back to "Whip" White. White had no chance to get the ball as it soared over his head. Before he could wheel and pounce on the oval, Bob Isinger, Berwyn guard, fell upon the ball to give Berwyn possession on the Radnor five-yard stripe.

Radnor's desperate resistance was almost classic. Three times they tossed back the lunging onslaught of the Berwyn combine. With the fourth down there was exactly one yard to go for the touchdown. Captain Bill Colona, taking the ball in the short buck position, knifed straight through the centre of the Raider defense to cross for the touchdown. Colona also booted the extra point from placement.

M'CRACKEN IS LEADING

Bill Colona, Berwyn High School captain, is still up among the leading point scorers of the Suburban Conference, latest statistics of the point-production department reveal. The leader of the T.-E. Terrors stands fifth in scoring with a total of 35 points.

McCracken is almost certain of retaining his place at the top of the list. He has scored 11 touchdowns and two extra-points.

No West Chester player is among the leaders of the scoring department.

Streaky Collins and Pepper Petrella, Downingtown's halfback stars, are among the high scorers, with 25 and 24 points, respectively.

Boys From Berwyn Scored Winning Touchdown on Fumble Near Goal Line

By "BABE" CANIZARES

Sad to relate, but Friday's football jousting on the Radnor High School greensward left Coach Jules Prevost's luckless Red and White grid starts, for the third straight week, directly behind the eight ball. This time it was our friends and neighbors from up-the-line, Tred.-East. High School, who applied the lethal dose, 7-0—not too stiff a dose, but stiff enough to make the boys wonder if they'll ever get started on a winning way.

Once more a head decided the outcome, a poor pass from center, or a missed signal by a Radnor back, left a loose ball on the Red and White eight yard line, which Berwyn was quick to cover, and in three plays Colona broke through left tackle for the only touchdown of the game. The score came in the first period, and although Radnor threatened twice to tally afterwards, the gritty little eleven from up the road dug in their toes and finished bloody but unbowed.

Although considerably outweighed, the Berwynites presented a well-coached, scrappy little outfit that capitalized their one opportunity with a great big touchdown, and after all, that's the pay-off. According to the statisticians, it was the first Berwyn victory on the Radnor field in 14 years, and to those of us who remember the salad days of Radnor football when Berwyn was lucky to escape with anything less than a 30-0 trimming—oh, well, it must be the New Deal's fault.

In spots Radnor didn't look bad at all, but unfortunately they were the wrong spots. Fumbling, off-side play, and an ineffectual attack were the three ruinations of Radnor, and until they are overcome, Red and White rooters will have many a headache. The tackling was a big improvement, and for the most part, Berwyn could do little with the Radnor line. Monte, acting captain for the game, was the only consistent ground-gainer, and inside the Berwyn 30-yard line even he could do little or nothing. The Radnor spirit was good and the boys were in there trying from start to finish, but they just didn't have enough stuff to win.

The customers had barely seated themselves—and by the way, there weren't too many customers—before Berwyn scored the only touchdown of the game. An exchange of kicks gave Radnor the ball on her own 25-yard

line, and on the first play the Red and White center passed the ball far, wide and handsomely to the Radnor's 8-yard line, where a Berwyn lineman gathered it in to his manly bosom. There's a chance there might have been a sleepy Radnor back on the play, for all we know, so we'll only give Center Griffith an assist on the error, but believe us, when Center Griffith snaps them back, he really snaps them back. Anyway, it was Berwyn's ball on Radnor's 8-yard line, and it took Captain Colona just three plays to cross the Red and White final line, making the score 6-0, and creating much excitement among Berwyn rooters. Colona's first try for the extra point was wide of the posts, but Radnor was offside and he was given another chance to make good, which he did in a big way, with a snappy one right through the middle of the uprights, making it 7-0, and also making Signor Colona a very big man in Berwyn last Friday night, we'll bet you.

Radnor's best scoring chance came in the second period when Byasse committed a grievous error of judgment in catching Monti's long Radnor punt on his own 2-yard line and being promptly dumped by the Radnor ends. In this stern predicament Kelly kicked out to his own 25-yard line, and the Red and White had a chance to go places. For a moment it looked as though they might at that, for Monti and Allen collaborated in a first down on the Berwyn 10-yard line. The next four plays were of a different color, however, and the sorte ended with Berwyn taking the ball on downs on their own 15-yard line.

Features of the game were the kicking of Kelly and Monti, Griffith's defensive play and long runs by D'Ambrosia and Monti. Allen, substitute for the injured White in the Radnor backfield, also looks like a comer. The line-up and score:

Lewis Is Hero As Zippers Rout Main Line Team

Dashes 60 and 30 Yards For Touchdowns in 29th Annual Game

By JOHN MULLIGAN

Berwyn High School's football eleven has little to be thankful for today. West Chester's gridders invaded the Main Line this morning and trounced Ollie Robinson's Tiedyffrin-Easttown eleven by a 20-0 score before a Turkey Day crowd of 5000.

Thus the locals brought their season to a sad close for they are able to show only one victory.

By clinching the decision over the Robinsonmen the charges of Harold Zimmerman walked off with the Chester County championship. If Berwyn had won it would have virtually ruined the Zippers' chances for titular laurels.

West Chester was held scoreless in the first period when it earned two first downs to one for the Main Liners. But the invaders struck with a death-dealing shock in the second and before Berwyn's adherents realized what was happening West Chester had scored twice. The final six-pointer was made in the third period right after the kickoff.

Locals Rally

Berwyn rallied gamely in the last period but couldn't push over a score. In that chapter the locals got four first downs to three for West Chester. However, at no time in the game were the Robinsonmen able to get within the winners 20-yard line. Each team had eight first downs.

West Chester scored its first touchdown on a 20-yard pass after Berwyn had held on the 15. Johnson had cut around right end on a reverse and galloped from his own 45-yard line to the Berwyn 15. Another reverse was smeared, and then a pass was grounded. Jesse Lewis then faded back and heaved another to Johnson, who was clear when Berwyn was caught napping. Lewis' try for point by placement was blocked.

With the half almost over, Berwyn opened up with a pass attack on its own 24 and it was a boomerang. Lewis intercepted one on the 30 and sprinted for the second touchdown. This time the try for point via placement was accurate.

West Chester's final tally came right after the third-period kickoff. On the second play with the ball resting on the Zippers' 40, Lewis knifed through right tackle, cut to his right, and dashed 60 yards across the final wide stripe. Again his placement was good.

Score on Pass

The first score came after they had fought on practically even terms with neither making much headway. For most of the first period they resorted to kicking, both playing for the breaks. Berwyn was wide open on the pass play which resulted in the initial tally and West Chester's interference worked nicely on the other scoring jaunts.

Berwyn High School's pennant hopefuls will be put to the acid test today when they attempt to hold first place in the Section Three League by sidetracking a threatening Coatesville nine on the latter's spacious field, Central Park.

Coach Ollie Robinson's nine has been giving indications that it might walk off with the championship and will be keyed up for today's big game after beating Phoenixville for the second time by a 2-0 score yesterday at Berwyn.

The Tredyffrin-Easttown tossers have scored one victory at the expense of Coatesville and have won three games and lost one. Coatesville is right on the Main Liners' heels with as many wins, but is charged with two on the wrong side of the ledger. Downingtown likewise had three victories and a brace of defeats.

Last week Berwyn traveled to Coatesville and was trailing by a 5-1 count when the game was rained out in the fourth. The home club is determined to avenge that disappointing event and sunny skies forecast that it will have nothing to fear at least from a weather standpoint.

Berwyn scored its two runs in the third to beat Phoenixville. Colona, Hovenac and McGinnis came through with timely singles. Harvey Williams, on the mound for the locals, fanned seven and allowed only one walk.

T-E TOSSERS CLUB BALL HARD TO GRAB FIRST LEAGUE WIN

Colona's Single in Sixth Gives
Robinsonmen Section Three
Victory; Play Downingtown
Here Tomorrow

Coming through with hits in the pinch, Berwyn High clinched its first Section Three victory in two starts yesterday when Phoenixville was nosed out, 4-3, on the loser's diamond. Downingtown is the opponent for tomorrow on the Main Liners' field.

Coach Ollie Robinson's Tredyffrin-Easttown tossers scored three runs in the fifth inning and added what proved to be the winning marker in the sixth.

Phoenixville was first to score, getting a brace of markers in the fourth. It put on a spirited rally in the seventh, but the upper Main Liners stemmed it just in the nick of time.

Thornton on Hill

"Buck" Thornton went the route for Berwyn and was touched for nine hits, two more than his team could find Patrick for, but he was hard to solve in the pinches. He struck out five and walked a single batter.

Patrick whiffed eight Berwyn batters and handed out three tickets to first.

Berwyn got to him in the fifth when Kenny opened with a single. Rubbo fanned, but Colona slapped a single, admitting the first run. Spellman flied to left, then Hovenac strolled and McGinnis drove in two runs with a whistling double.

In the sixth Williams waited Patrick out for a ticket, to get the winning rally underway. Thornton and Kenny were retired on flies to the outfield, but Hopkins, batting for Rubbo, walked. Then Colona banged a one-bagger, sending across the run.

Get Scare

Sansom strolled to start the big Phoenixville fourth. Patrick singled and after Faddis flied out and Dunn fanned, Gordon poled a triple to account for the runs.

Berwyn was in hot water during the seventh and final session. Gordon doubled. Then successive singles by Williams and Brennan accounted for a run before Thornton tightened up on his belt and stopped the threat.

McGinnis led the T-E attack with a double and single, while Brennan had three bingles to set the pace for Phoenixville. Gordon collected his double and triple, while Patrick also hit twice safely.

7 LETTERMEN BACK AT BERWYN FOR BASKETBALL SQUAD

Hopes Run High With Only
Two Veterans Lost; Robin-
son Expects Freshmen To
Prove Valuable

Because only two lettermen are lost at Tredyffrin-Easttown High School, prospects for a winning basketball team are bright as the Berwyn passers drill in preparation for their new campaign.

The Upper Main Liners reported for the first time yesterday to Royal Hintze, assistant coach, who was handling the workout in the absence of Head Coach Oliver Robinson. Both have opined that Berwyn will have a fast-stepping array.

Seven veterans have returned as well as eight others who have had experience on the junior varsity. In addition there are several promising freshmen and Coaches Robinson and Hintze feel that they may grab another good player from the group.

Two Lost

The two men lost through graduation are Snowden Jones, 1934-35 captain, and Bud Dempsey. Returning are Frank Kelley and Elmer Morris, centers; Earl Spellman, Charley Hanley, and John Byassee, forwards; Lloyd Jacobs, and Bill Wichert, guards.

Junior varsity candidates returning are Robert Larkin, Wells Suplee and Ralph Johnson and Silar Krouse, guards. Bill Colona, football player, also has decided to report and may crash into the varsity lineup.

The freshmen whom Robinson and Hintze hope to develop as players are Frank Cassidy, Croft Grantham and Joseph Patterson.

Berwyn is scheduled to open its league schedule in Section Three against West Chester on the Main Liners' court on Friday, December 20. However, the Berwynites may play Radnor on Tuesday, the 17th.

Coaches Confident

Discussing the prospects, Hintze said, "Ollie and I think it looks pretty bright. We have some good boys back and we believe we can build a pretty good team. At least it looks that way right now. We can tell better after we have a few more practices."

Berwyn finished fourth in its league last season, but gave most of the teams stiff competition all through the schedule.

Alumni Honors T-E Grid Team At Annual Banquet

Harry Stuhldreher, Ed Michaels and George Fitzpatrick Are Guests of Honor; Colona Elected Captain for 1936

Tredyffrin-Easttown High School, of Berwyn, may not have enjoyed a successful football season, but one would not have been aware of that fact at the annual alumni football banquet last night.

The dining hall was packed almost to capacity by old grads and townfolk who were eager to honor the boys who carried the Garnet and Gray banners into battle so gallantly this past season.

Harry Stuhldreher, Villanova coach and former All-American at Notre Dame, and George Kirkpatrick, former Berwyn coach and at present one of the leading football officials in the Philadelphia district, were the principal speakers.

Stuhldreher was impressed by the fact that the T-E team was honored at a banquet regardless of their success on the gridiron," he said, "I understand you boys had some heartbreaking things go against you, yet it never broke your spirit. That's where you proved you were strong. You had the ability to take it and still keep your chin up. That means you are made of the right stuff.

Worm Will Turn

"You have a just right to feel happy and satisfied with the thought that you had given your best. Don't be discouraged. The spirit you showed this year can't be thwarted forever. These things all right themselves. In a year or so you'll be out of the rut. The worm always turns."

Fitzpatrick not only praised the team and school for its spirit, but he lauded Coach Oliver Robinson. "He is one of the few gentlemen coaches in the suburbs," said Fitzpatrick, "He knows the game and he is a good coach and you boys on the team will appreciate him

and the little things he taught you more and more as the years go by."

Ed Michaels, Villanova College coach and All-America candidate, was one of the guests of honor and was prevailed upon to tell what happened between the halves of the Villanova-Temple game. "Someone mentioned tonight that swelled heads are fatal in football," he said in his quiet, bashful manner, "Well that's what decided the Temple game. Stuhlie told us that Temple had heads as big as balloons when they left the field at halftime. He told us they were laughing at us. He told us if we had anything in us at all we'd go out and puncture those balloon heads. We did."

Colona New Captain

Wilmer K. Groff, supervising principal of Tredyffrin-Easttown townships, Dr. Frank Walker, a traditional figure in Berwyn athletics, William Crouse, assistant coach, and J. Herbert Good, of the Daily Times, were other speakers. Coach Robinson was unable to attend the banquet because of illness. Jack Eachus, former Ursinus star, was the toastmaster.

Before the banquet the lettermen elected William Colona, halfback, captain for the 1936 campaign. The retiring captain, Chester Thomas, was presented a silver football by the alumni.

Principal S. Paul Teamer presented letters to the above mentioned youths and the following: Ernest Carnevalina, Lloyd Jacobs, Henry Roberts, Joe Rubbo, Joe Sachs, William Wichert, Dave Wilson, Ray Davis, Gordon Hickman, Robert Isinger, James McGinnis, Harry Melchiora, Robert Thornton, John Byassee, Pa. y D'Ambrossio, Tony D'Ambrossio, Dick Dixon, Frank Kelly, Joe McCaughey and Manger Tulli DiMarcontonio.

West Chester Regains Chester County Throne With 20-0 Victory

Tredyffrin - Easttown High School's gridgers, no doubt, enjoyed their Thanksgiving turkey yesterday, but it is very likely that the Berwyn athletes were going about their wrecking work very thoughtfully. The reason for their seriousness was their failure to wreck their arch-rival, West Chester, in the 29th annual battle played on the Main Line yesterday morning.

By losing, Oliver Robinson's charges completed their schedule with only one victory to show for nine starts. Moreover, the T-E eleven was able to collect only a total of 25 points for the season, while the opponents piled up 110.

West Chester walked off the field holding a 20-0 verdict over the Main Liners, and in gaining the decision took two legs on the Powell Cup. In order to take permanent possession a team must win three consecutive games. West Chester on three other occasions has been able to reach the same position as it holds now, but Berwyn always has come back to keep the trophy in competition. It was put up back in 1920.

Tough Breaks

A 20-0 score sounds like a trouncing and it was, but there are many Berwyn rooters today who claim that the Zippers should not have won by more of a margin than one touchdown. Harold Zimmerman's team earned eight first-downs, the same as Berwyn. The ultimate winners had considerable trouble getting through Berwyn's line.

West Chester pulled a forward pass play from the 15-yard line after a man had broken loose for a long gain, for the first touchdown. Berwyn failed to cover up on the play and the Zippers scored easily. No doubt Berwyn rooters thought the team would come back.

But with only a couple minutes remaining the second quarter, T-E took a chance through the air and it developed into being a knock-out blow to the local hopes. West Chester intercepted on the home 30 and the player sprinted for a second score.

Berwyn never stopped fighting after these scores, but when the invaders broke loose with a 60-yard sprint for the third tally, the Main Liners' cause was hopeless. An injury to Frank Kelley which brought his retirement from the game also was a blow to T-E hopes, although Colona played an excellent game in the backfield. The point was that West Chester, with the exception of the three scoring jaunts, could do little to the losers' forward wall.

Robinson's boys have only one bright spot to look at, the 13-0 surprise conquest of Radnor. They came back in fine style after being walloped, 18-0, by Glen-Nor in the opener and losing, 14-0, to Pottstown in the second game. It will be recalled that four regulars were ineligible for the first four contests.

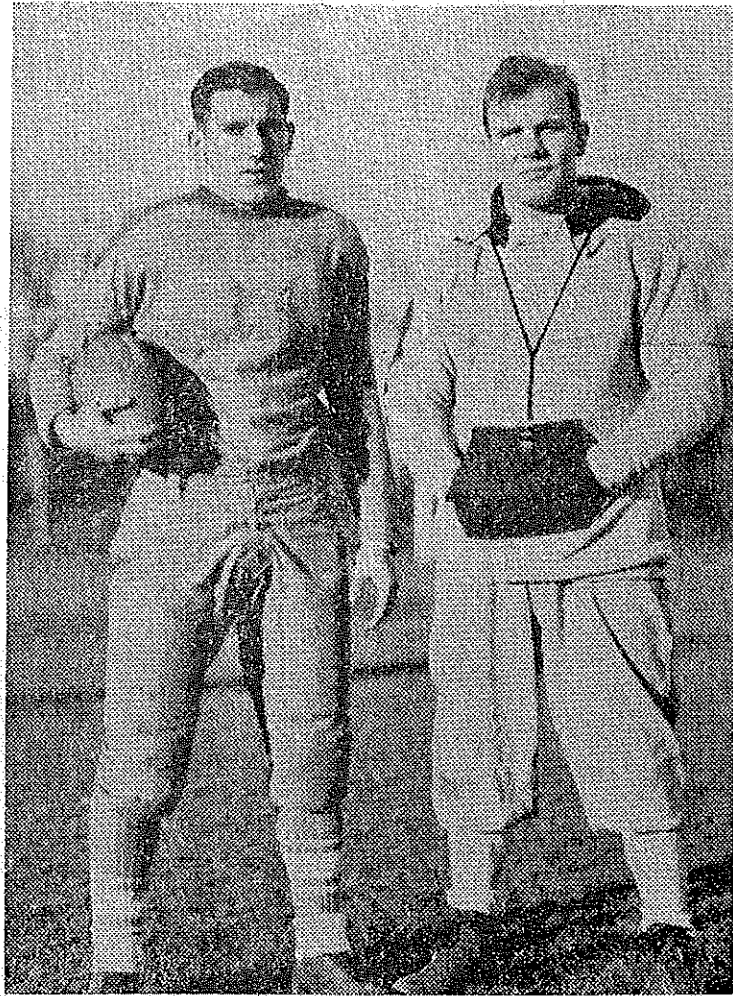

Staged Comebacks

Berwyn was figured to be the favorite against Ridley Township in the fourth test, but was nosed out, 7-6, and then came back nicely to hold Coatesville to a 6-6 tie. Hayward outplayed the Tredyffrin-Easttowners and deserved more than a 6-6 win, but it was a credit to Berwyn for holding down the score.

In the next test a Berwyn machine, missing because of many injuries, was trounced by a 33-0 score by Downingtown. Later, the local array rallied again to hold Phoenixville to an 8-0 count.

Coach Robinson, ending his second year as varsity coach, is building for the future and the picture is not so dark when we realize that many of this year's gridgers will be back next season. Bill Crouse, his assistant, also has worked hard in an attempt to give Berwyn a winner.

HARD TO BEAT!

—Local News Photo.

This combination, Captain Bill Colona, left, and Coach Gerry Smeigh, made it tough for West Chester as Berwyn held the locals to a 7 to 2 score, here, yesterday morning. The inspired leadership of Colona and the smart coaching of Smeigh were big factors in the fine game played by the T-E Terrors.

Powerful Backs

Berwyn's chief strength this fall lies in the power of its veteran backfield combination. Its line is a good one, but the real power of its attack comes from a quartet of experienced ball carriers, accurate passers and dangerous kickers. All four of its starting backs appeared against West Chester in 1935, when Berwyn was on the short end of a 20 to 0 score.

Captain Bill Colona, who appears at the left halfback post, is the key man of the T-E backfield. He is a triple threat man and is capable of employing every weapon of attack in a capable manner. Aside from being a shifty and hard-running ball-carrier he is a passer of marked ability, a punter who is always a threat because of his quick kicks and an artist in the matter of placement kicks.

Captain Colona is paired with "Buck" Thornton, a flash colored lad, at the halfback posts. Thornton is outstanding because of his ability to thread his way through and open field and to break away on end runs. He is also a pass receiver of top rating.

Kelly Versatile

Frank "Shipwreck" Kelly does the quarterbacking for the T-E Terrors and likewise is their most dependable punter. Further than this he shifts from quarterback to end on certain pass plays because of his knack of snaring aerials with almost 100 per cent. effectiveness.

The fourth member of the Berwyn backfield is "Patsy" D'Ambrosia, a hard-charging fullback, who is relied upon for most of the team's line-plunging. Like his three fellow-backs, he is a good passer and is given plenty of opportunity to exercise that talent.

On the line Coach Gerry Smeigh is planning to start Jim Townsend and Dick Dixon, as ends; Lou Whitworth and "Gordy" Hickman, as tackles; Bob Isinger and Howard Tarr, as guards, and Johnny Byassee, at center.

Captain Bill Colona, of Berwyn High, is leading the Suburban Conference, at this writing, in the matter of converting points-after-touchdown. He has to his credit five conversions, all through the medium of placement kicks. These points, along with four touchdowns, place him among the ten highest scorers of the Conference with a total of 29. Colona, now Berwyn's regular quarterback, is rapidly gaining recognition as one of the county's outstanding stars. He is a real leader and is the sparkplug of the powerful Berwyn attack.

Incidentally, Captain Colona and his T-E Terrors face a severe test this week when they encounter Downingtown High, at the Paper-town, on Saturday afternoon. After tying Glen-Nor in their opener and losing to Pottstown in their second game, the Main Liners won four in a row. Radnor, Upper Merion, Coatesville and Haverford were added to their list in consecutive order. If they are to remain in the fight for the county laurels they will have to win over Downingtown. And after Downingtown comes Phoenixville and West Chester. This gives you a rough idea of the job Coach Jerry Smeigh has cut out for him in the closing weeks of the campaign.

MATEER AT HELM

The Paoli Eagles, with Coach "Ken" Mateer at the helm, put on an impressive display of power as they swamped the Philadelphia "Crown" Redjackets, 39 to 0, at Green Tree School gridiron, yesterday afternoon.

The Paoli team, made up largely of players who performed under Mateer when he gave Berwyn High an all-victory season back in the early thirties, completely outclassed the invading gridders. "Reds" Byassee Bill Colona paced the attack with two touchdowns a piece. "Bud" Dempsey and Forcini each added a six pointer to the total. Three points were added by Jimmy Durbano with dropkicks after touchdowns had been scored.
